

a private collection recipes pdf

A private library is a library under the care of private ownership, as compared to that of a public institution, and is usually only established for the use of a small number of people, or even a single person. As with public libraries, some people use bookplates “ stamps, stickers or embossing “ to show ownership of the items. Some people sell their private libraries to established ...

Private library - Wikipedia

A recipe is a set of instructions that describes how to prepare or make something, especially a culinary dish. It is also used in medicine or in information technology (user acceptance). A doctor will usually begin a prescription with *recipe*, Latin for take, usually abbreviated to Rx or an equivalent symbol (â„ž).
