Giga Pets are digital pets (also known as virtual pets or artificial pets) that were first released in the United States by Tiger Electronics in 1997 in the midst of a virtual-pet toy fad. Available in a variety of different characters, essentially each is a palm-sized video screen attached to a key ring. To ensure a happy, healthy pet, its owner has to take care of it in some of the same ways ...

The Real World was inspired by the 1973 PBS documentary series An American Family. It focuses on the lives of a group of strangers who audition to live together in a house for several months, as cameras record their interpersonal relationships. The show moves to a different city each season. The footage shot during the housemates'™ time together was edited into 22-minute episodes for the ...
