It seems all good things come in pairs - milk and cookies, burgers and fries, needle and thread, smiles and laughter, and, of course, one of my favorites – fabric and love.

and Grey – with just a touch of green. Beautiful florals

The somatosensory system is a part of the sensory nervous system. The somatosensory system is a complex system of sensory neurons and pathways that responds to changes at the surface or inside the body. The axons (as afferent nerve fibers), of sensory neurons connect with, or respond to, various receptor cells. These sensory receptor cells are activated by different stimuli such as heat and ...
