An Introduction by Henry Barnes When children relate what they learn to their own experience, they are interested and alive, and what they learn becomes their own. ... In April of 1919, Rudolf Steiner visited the Waldorf Astoria cigarette factory in Stuttgart, Germany. The German nation, defeated in war, was teetering on the brink

Waldorf Education . . . An Introduction

Gary Lachman's biography of Rudolf Steiner is a perfect introduction and overview to one of the 20th century's most unusual and overlooked thinkers. Throughout the work Lachman makes it clear that interested readers should understand that a popular biography can in no way give a detailed summary of Steiner's work and are encouraged to delve deeper into the areas that the author can only touch upon. This is a fair and productive decision as Steiner was a man of many interests.

[PDF] Download â†† Rudolf Steiner: An Introduction to His

The New Essential Steiner is an illuminating, completely new introduction to the philosophy and essential writings of Rudolf Steiner, introduced and edited by Robert McDermott, who also edited the now-classic Essential Steiner.
