

an introduction to the pdf

This introduction to R is derived from an original set of notes describing the S and S-Plus environments written in 1990â€”2 by Bill Venables and David M. Smith when at the University of Adelaide. We have made a number of small changes to reflect differences between the R and S programs, and expanded some of the material.

An Introduction to R

The study of Introduction was gradually limited to an investigation of the origin, the composition, the history, and the significance of the Bible as a whole (General Introduction), or of its separate books (Special Introduction).

Introduction to the New Testament - Online Christian Library
