Stopping Child Abuse in Your Community Children are the embodiment of innocence and hope for the future. We all agree that every child deserves to grow up in a nurturing environment where they are loved, cared for, secure, and protected from verbal, sexual, emotional and physical abuse, exploitation, and neglect.

China's one-child policy was part of a birth planning program designed to control the size of its population. Distinct from the family planning policies of most other countries (which focus on providing contraceptive options to help women have the number of children they want), it set a limit on the number of children parents could have, the world's most extreme example of population planning.

Child marriage is a formal marriage or informal union entered into by an individual before reaching a certain age, specified by several global organizations such as UNICEF as minors under the age of 18. The legally prescribed marriageable age in some jurisdictions is below 18 years, especially in the case of girls; and even when the age is set at 18 years, many jurisdictions permit earlier ...
