2018 Annual Report to Congress.pdf - uscc.gov

You can read in this report how these and other leaders are making their companies smarter, in all dimensions. They are placing big bets on the future to increase their competitiveness and to reconnect with their company's true reason for being. The world's incumbents own the most valuable sources of data: the 80 percent not on the Web.

2017 IBM Annual Report

An annual report is a document that gives a brief summary on a company's preceding year's performance. The aim of preparing an annual report is to present financial and other activities information to shareholders and other external parties.
