

another stereotype bites the pdf

When anthropomorphising an animal there are stereotypical traits which commonly tend to be associated with particular species. Often these are simply exaggerations of real aspects or behaviours of the creature in question, while other times the stereotype is taken from mythology and replaces any observation-based judgment of that animal's behavior. Some are popularised or solidified by a ...

Fried chicken (also referred to as Southern fried chicken for the variant in the United States) is a dish consisting of chicken pieces usually from broiler chickens which have been floured or battered and then pan-fried, deep fried, or pressure fried. The breading adds a crisp coating or crust to the exterior of the chicken. What separates fried chicken from other fried forms of chicken is that ...
