Apologia Exploring Creation with Physical Science Basic Set (2nd Edition)

Apologia Exploring Creation with Physical Science Basic

Introduce your young naturalists to plants---their structure, propagation, classification, and more---with this engaging yearlong classical science curriculum. Influenced by Charlotte Mason and the living books philosophy, homeschooling mother Jeannie Fulbright writes as if she were chatting with her own children, defining and explaining at their comprehension level.

Exploring Creation with Botany, Textbook: Jeannie

The historiography of the British Empire refers to the studies, sources, critical methods and interpretations used by scholars to develop a history of Britain's empire. Historians and their ideas are the focus here; specific lands and historical dates and episodes are covered in the article on the British Empire. Scholars have long studied the Empire, looking at the causes for its formation ...
