We are deeply saddened by the news that our member, colleague, and friend Ben "œbushing" Byer passed away of natural causes on Monday, February 8th.. Many of you knew him as one of the public faces of the iPhone Dev Team, Team Twizzers and fail0verflow.. Outspoken but never confrontational, he was proof that even in the competitive and oftentimes aggressive hacking scene, there is a place ...

A blog (a truncation of the expression "weblog") is a discussion or informational website published on the World Wide Web consisting of discrete, often informal diary-style text entries (posts). Posts are typically displayed in reverse chronological order, so that the most recent post appears first, at the top of the web page. Until 2009, blogs were usually the work of a single individual ...

You missed the mark a bit there. You pointed out that, – Intelligence is not equal throughout the races. Examples of this are evident in the inventiveness of a particular group, what technologies they create, the societal structure they create, their art and their sciences –, a statement which in and of itself is a contradiction.
