student, in how to develop and use your latent powers of clairvoyance. This knowledge will enable you to deal with day-to-day living with a power and understanding that you may have suspected you possessed, but have never exercised. All that is required is an attentive, receptive mind, and the desire to make your own world a better one.

Art of Clairvoyance - THE AKURIANS

A number of years have passed since the first edition of Art and Practice of Astral Projection appeared. In spite of the limitations of Ophielâ€™s ability to distribute and promote this book, the book has been as well received as can be expected under the circumstances.
