

art in outline 1 pdf

Printmaking art techniques such as engraving, etching, woodcut and lithography are covered more fully in their respective articles.. Line art or line drawing is any image that consists of distinct straight or curved lines placed against a (usually plain) background, without gradations in shade (darkness) or hue to represent two-dimensional or three-dimensional objects.

Line art - Wikipedia

The following outline is provided as an overview of and topical guide to painting: . Painting â€œ artwork in which paint or other medium has been applied to a surface, and in which area and composition are two primary considerations.. The art of painting â€œ act of creating paintings.
