What is article marketing? Article marketing is a method many affiliate marketers use to attract organic search traffic to their websites. Once they funnel this traffic to their sales pages, they either redirect the customer to the affiliate site, or they use their website to sell their own products.

What Is Article Marketing? A Basic Guide

The first 3-5 words of your Article Title determine the success of your article in terms of how much traffic your article will generate back to your website. Create keyword-rich article titles that match the most commonly searched keywords for your topic. You can maximize your article marketing strategy by understanding keyword research

-What is it? -Why it works -What's in it for me?

The basic principle of this type of marketing is the initial setup of the main article. You cannot use just one article. You will need around 100 articles to perform a good campaign. Don't panic though, you won't have to pay out \$500 for 100 articles! you can use a technique and method called article spinning.
