"Margie and Deb have done a phenomenal job of revising Designs for Living and Learning to ensure that the culturally relevant environments being created by paradigm shifting early childhood programs are highlighted. However, the power of their work is not in merely capturing the images that captivate our senses, but rather it is in providing us a window into the intentionality behind these images.

Abstract. This paper employs concepts drawn from a five-phase model of globalization adapted from the work of Maguire et al. in 2002, which aids in developing an understanding of the global phenomenon of professional baseball. It reports that the five flows of globalization, namely, migrant dimension, technology dimension, economic dimension, media dimension, and ideological dimension are ...
