Masturbation is great but it robs men of their energy. Kids lower a man's testosterone because having kids and looking after them, paying for them, etc., is costly, so it's biological within a man that when he has one kid, his T levels might go up, but more than one, it's down, and down again to stop him from having more kids.

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something

written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
