It's time for me to start a new diy aeroponics project. Recently I added a new grow room so I needed a new system. I have been growing with my homemade aeroponics diy system for a couple of years now and it works very well. But I decided to take what I have learned and build a new system for both my grow rooms.

The Mumbai Metro is a rapid transit system serving the city of Mumbai, Maharashtra, and the wider metropolitan region. The system is designed to reduce traffic congestion in the city, and supplement the overcrowded Mumbai Suburban Railway (colloquially called local trains) network. It is being built in three phases over a 15-year period, with overall completion expected in 2025.
