A word search, word find, word seek, word sleuth or mystery word puzzle is a word game that consists of the letters of words placed in a grid, which usually has a rectangular or square shape. The objective of this puzzle is to find and mark all the words hidden inside the box. The words may be placed horizontally, vertically, or diagonally.

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed

with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds. America's willing disobedience and sins have brought her--and her false refuse-to-obey-the-Bible-church--curses without number.

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
