Around 1.1 million people are living with HIV in the United States of America (USA). Nearly one in seven of these people are unaware they have HIV.¹ The size of the epidemic is relatively small compared to the countryâ€™s population, but is heavily concentrated among several key affected populations. Around 70% of annual new HIV infections occur among gay and other men who have sex with men ...

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds.

America's willing disobedience and sins have brought her--and her false refuse-to-obey-the-Bible-church--curses without number.
