But didn't have enough funds to buy the rest of the books in the series until this little or shall I say bigger rock lol came out. Gives me the first 4 out of 6 books in this series. Spencer may have dug himself into a mess bigger than his BIG Rock. I love a well-written friends-to-lovers story, and Big Rock delivers the goods. Lauren Blakely is a master at romantic comedies---humor and heat that soar through the pages in stories that are achingly addictive.
